

Economics of Childhood Nutrition Workshop

June 26-27, 2024

Professor Diane Whitmore Schanzenbach,
Northwestern

The keynote lecture will be given by Diane Whitmore Schanzenbach, Margaret Walker Alexander Professor of Human Development and Social Policy at Northwestern. Diane studies policies aimed at improving the lives of children in poverty, with a focus on food environments and food assistance programs.

The programme will include both short (25min) and long (45min+15 min discussion) presentation slots. There is no registration fee. Attendants are expected to cover their own travel and accommodation.

The keynote lecture will take place at IFS ([here](#)), all other talks are in Senate House, room 102 ([here](#)).

Wednesday 26th June
